

COVID Update  
January 21, 2022

Dear Residents, Tenants, and Families,

Since our last update on January 19<sup>th</sup>, we have received several COVID test results back. At The Woodlands we have 1 staff member and 1 resident, and 1 Knutson Place tenant who have tested positive. This is a substantial reduction from prior testing times.

We are offering a vaccination clinic on Tuesday, January 25<sup>th</sup>, between 1:00 PM and 3:00, in the Luther Place campus chapel for all residents, tenant, and staff. If you are interested in the clinic, please call or visit the reception desk at either campus to sign up.

Physical visits to people in our communities can be necessary for the emotional wellbeing of all parties. Please ensure that you are protecting yourself and your loved one during these visits.

Thank you for continuing to do all you can to keep yourself safe and providing a safe environment to our residents, tenants, and staff.

Sincerely,

*Darrin Radeke*
