

COVID Update
January 23, 2022

Dear Residents, Tenants, and Families,

Since our last update on January 21th, we have received several COVID test results back. At The Woodlands we have 3 staff members and 1 resident, at Luther Place there is 1 staff member, At Knutson Place there is 1 tenant, and there are 2 staff members who are shared between the two campuses who have tested positive.

Hopefully, we have experienced the peak of this surge and are going to dramatically decline in positive tests.

As a reminder, we are offering a vaccination clinic on Tuesday, January 25th, between 1:00 PM and 3:00, in the Luther Place campus chapel for all residents, tenant, and staff. If you are interested in the clinic, please call or visit the reception desk at either campus to sign up.

Physical visits to people in our communities can be necessary for the emotional wellbeing of all parties. Please ensure that you are protecting yourself and your loved one during these visits.

Thank you for continuing to do all you can to keep yourself safe and providing a safe environment to our residents, tenants, and staff.

Sincerely,

Darrin Radeke
Interim CEO / Administrator
