

COVID Update
January 27, 2022

Dear Residents, Tenants, and Families,

Since our last update on January 25th, we have received several COVID test results back. At Luther Place there are 2 staff members who have tested positive.

As you know, older adults and those with other medical conditions are high risk for experiencing serious problems should they catch the COVID-19 virus. Please ensure that you are protecting yourself and your loved one during visits.

Thank you for keeping yourself safe and providing a safe environment to our residents, tenants, and staff.

Sincerely,

Darrin Radeke
Interim CEO / Administrator
