

COVID Update
December 23, 2021

Dear Residents, Tenants, and Families,

On Wednesday, December 23, we were notified that we had one employee from the Woodlands test positive for COVID 19. Because of the outbreak in staff we tested the residents and staff at the Woodlands today. We expect to see the results from this test over the weekend.

With Christmas only a few days away, please be extra careful when you are visiting a family member or friend at St. John's. Please put your mask on before you enter the building, and then sanitize your hands when you are being screened. If you are not feeling well, please postpone your visit until you are feeling better.

We hope you have a very Merry Christmas.

St. John's Pandemic Committee
