

September 25, 2023

Dear St. John's Tenants and Families,

We have been notified of four St. John's Lutheran Community employees that have tested positive for COVID-19. There is one Woodlands tenants that have tested positive for COVID-19 as well.

Due to this COVID-19 outbreak, masks should be worn in all areas of the Woodlands Skilled Nursing area at this time. Testing kits are available at the receptionist desk if you would like to test yourself for COVID-19.

If you are ill or have had recent exposure to someone with COVID-19, please refrain from visiting. Please remember to sanitize your hands often and check the postings on the entrance doors for current masking requirements for visiting our campuses.

Thank you for your continuous support.

Sincerely,

Krystal Lunning, RN

Infection Preventionist

St. John's Lutheran Community

You'll find a *home* in our community.
