COVID Update

Dear St. John's Residents, Tenants, and Families,

We have been notified of two staff members that work at the Woodlands that have tested positive for COVID-19.

We have been notified that one contracted provider has tested positive for COVID 19. This provider works at both campuses.

We will conduct routine testing on Thursday August 18, 2022 for staff.

We were also notified of two tenants at Waters Edge that have tested positive for COVID-19. We will offer testing to any tenants that wish to be tested on Thursday August 18, 2022.

We also have four COVID positive residents at the Woodlands. We will offer testing to the Woodlands residents during the outbreak period.

If you are ill or have had a recent exposure to someone with COVID-19, please refrain from visiting. Please remember to sanitize your hands often and wear your mask throughout our campuses.

Thank you for your continuous support.

Sincerely,

St. John's Lutheran Community

You'll find a *home* in our community.
