COVID Update

Dear St. John's Residents, Tenants, and Families,

On Thursday, February 17, we tested staff and residents at both campuses. This round of testing resulted in two positive staff members at Luther Place, one positive staff member at Knutson Place, one positive resident at Luther Place, and three positive tenants at Knutson Place. We were also notified of one additional positive Knutson Place tenant from our Monday testing. We will conduct testing again on Monday, the 21st.

If you are ill or have had a recent exposure to someone with COVID-19 please refrain from visiting. Please remember to sanitize your hands often and wear your mask throughout our campuses. We continue to see high community transmission rates and want to do everything possible to keep the residents and tenants that live at St. John's safe and healthy. We are encouraging all Knutson Place tenants to stay home for the next week due to the high spread of the virus in the building.

Thank you for your continuous support.

Sincerely,

Kelsey Diehl, LNHA, LALD

Luther Place Administrator

You'll find a *home* in our community.
