COVID Update

Dear St. John's Residents, Tenants, and Families,

On Monday, February 21, we tested staff and residents at both campuses. I am extremely pleased to announce that this round of testing resulted in zero positive cases. We were notified of one Luther Place staff member that tested positive externally but has not been in the building recently. We will conduct testing again on Thursday, the 24th. We are thrilled that our numbers are decreasing but are not letting up on our infection prevention efforts.

If you are ill or have had a recent exposure to someone with COVID-19 please refrain from visiting. Please remember to sanitize your hands often and wear your mask throughout our campuses. We continue to see high community transmission rates and want to do everything possible to keep the residents and tenants that live at St. John's safe and healthy.

Thank you for your continuous support.

Sincerely,

Kelsey Diehl, LNHA, LALD

Luther Place Administrator
