COVID Update

Dear St. John's Residents, Tenants, and Families,

On Thursday, February 3, we tested staff and residents at both campuses. This round of testing resulted in three positive staff members at Luther Place and one positive residents at the Woodlands. We were also notified of a staff member that works at both campuses that tested positive externally. We will conduct testing again tomorrow.

If you are ill or have had a recent exposure to someone with COVID-19 please refrain from visiting. We continue to see high community transmission rates and want to do everything possible to keep the residents and tenants that live at St. John's safe and healthy.

Thank you for your continuous support.

Sincerely,

Kelsey Diehl, LNHA

Luther Place Administrator
