COVID Update

Dear St. John's Residents, Tenants, and Families,

We have been notified one St. John's Lutheran Community staff member that has tested positive for COVID-19.

If you are ill or have had a recent exposure to someone with COVID-19, please refrain from visiting. Please remember to sanitize your hands often and check the postings on the entrance doors for current masking requirements for visiting our campuses.

Thank you for your continuous support.

Sincerely,

St. John's Lutheran Community

You'll find a *home* in our community.
