COVID Update

Dear St. John's Residents, Tenants, and Families,

On Monday, February 28, we tested staff and residents at both campuses. This round of testing resulted in zero positive cases! On Thursday, March 3, we tested staff at both campuses, residents at Luther Place, and tenants at Knutson Place. This round of testing resulted in one positive staff member at Luther Place. We will conduct testing again on Monday, March 7.

There were no positive cases at Knutson Place, The Meadows, The Woodlands, or Waters Edge.

If you are ill or have had a recent exposure to someone with COVID-19 please refrain from visiting. Please remember to sanitize your hands often and wear your mask throughout our campuses. We continue to see high community transmission rates and want to do everything possible to keep the residents and tenants that live at St. John's safe and healthy.

Thank you for your continuous support.

Sincerely,

Kelsey Diehl, LNHA, LALD

Luther Place Administrator
