COVID Update

Dear St. John's Residents, Tenants, and Families,

On Saturday, March 5, we were notified of a tenant at Waters Edge that tested positive for COVID-19. We will conduct testing on Monday, March 7.

If you are ill or have had a recent exposure to someone with COVID-19 please refrain from visiting. Please remember to sanitize your hands often and wear your mask throughout our campuses. We continue to see high community transmission rates and want to do everything possible to keep the residents and tenants that live at St. John's safe and healthy.

Thank you for your continuous support.

Sincerely,

Kelsey Diehl, LNHA, LALD
