COVID Update

Dear St. John's Residents, Tenants, and Families,

We have been notified of one staff member who has tested positive for COVID-19. This staff member works at Luther Place but did not work during their infectious period. We were also notified of a contracted staff member who was in the building Monday that tested positive today. We have also been notified of a tenant at Waters Edge who tested positive.

We will conduct testing of staff at both campuses and Waters Edge tenants again on Thursday, May 26th.

If you are ill or have had a recent exposure to someone with COVID-19, please refrain from visiting. Please remember to sanitize your hands often and wear your mask throughout our campuses.

Thank you for your continuous support.

Sincerely,

Kelsey Diehl, LNHA, LALD

Luther Place Administrator
