

February 12, 2022, COVID Update

Dear St. John's Residents, Tenants, and Families,

On Thursday, February 10, we tested staff and residents at both campuses. This round of testing resulted in one positive staff member at the Woodlands and three positive tenants at Knutson Place. We will conduct testing again on Monday.

If you are ill or have had a recent exposure to someone with COVID-19 please refrain from visiting. Please remember to sanitize your hands often and wear your mask throughout our campuses. We continue to see high community transmission rates and want to do everything possible to keep the residents and tenants that live at St. John's safe and healthy.

Thank you for your continuous support.

Sincerely,
Kelsey Diehl, LNHA, LALD
Administrator
